

# WE ARE MANY, WE WON'T GO!

# WE'LL AVENGE ZACKIE OH!

Omonia is an intersection right in the heart of Athens. An intersection full of your hate. When you pass by, you are grossed out and you are afraid because there you meet trans people, junkies, sex workers, faggots, hiv-positive people, poor, homeless people, immigrants, thieves.

But it's not them who murdered Zak. It's you who murdered him; family men and women, christians, owners, cops, fascists, employers, law-abiding citizens.

It's all of you: the core of greek society.  
It's you who judge from the comfort of your couch,  
who safeguard normativity against our lives.  
It's you who start immigrant pogroms and drug sweep operations.

It's you who take the law into your own hands  
to protect your property and who throw us in jail  
when we defend our bodies against rape.

It's you who vote in media polls,  
who decide which lives deserve to be lived and  
which don't. It's you who say nothing.

\* Abusive gazes, sexist, homophobic, soberist or racist behavior will not be tolerated.

\*For those of you who want to change clothes,  
there will be a DIY changing-room on the site  
of the demo's initial gathering.

On the 21<sup>st</sup> September 2018, all of you murdered Zackie Oh! What you didn't know is that she wasn't alone. That she was a member of our communities.

This murder won't be silenced, it won't become just another obituary.

**LISTEN UP GREEKS: OUR QUEERNESS NEVER DIES.  
YOU'D BETTER BE AFRAID OF US.**

We are everywhere and we dress as we like, we cut up our bodies, we kiss in the streets. We answer back when you make passes at us. We demonstrate, we paint your walls, we shoplift, we take drugs in the squares. We reclaim public space; our very existence there, is another act of counter-violence, against you.

Us perverts of every neighborhood, we are taking to the streets and calling our sisters: sluts, trans people, proud faggots, drug users, immigrants, hiv-positive people, lesbians, sex workers.

Let's dress up as we like. Let's stand next to each other. Let's protest for Zak and Zackie Oh! Let's reclaim streets and squares.
